

Frozen Fruit

About the company

Es Komerc d.o.o. was founded in 1992. Until 2000, it operated exclusively as a wholesale company. After 2000, it began developing a retail chain.

Since 2012, the company has been investing in a new manufacturing plants.

We now own 25 retail facilities, a conventional and organic pasta production plant (manufacturing type of production), a frozen pizza and homemade pies production plant, a conventional and organic jams and juices production plant and 1300 t cold storage for deep-frozen fruit.
